### Profile:

I began teaching in 2002 and I have held leadership roles for fifteen years including previous roles of KS2 lead, SENCo, safeguarding lead, maths lead, English lead and NQT mentor. I am incredibly proud to be an SLE and I look forward to supporting a variety of schools on their journey of school improvement.

I can offer the following leadership support to schools:

- EYFS development including leading high quality provision, organisation of both the indoor and outdoor learning environment, developing the role of adults within Reception and nursery, moderation and assessment.
- English and maths subject leadership including the development of teaching and learning, assessment and improving pupil outcomes.
- Behaviour development including whole school approaches to behaviour, development of staff and strategies for supporting pupils.
- Development of systems and processes for effective Initial Teacher Training (ITT) and Newly Qualified Teacher (NQT) training.
