

ENRICHMENT WEEK

FEEL GOOD WEEK—9th to 13th MARCH

SKIP2BFIT

The children are going to be involved in an exciting workshop which teaches them to skip and involves setting challenges for themselves. This will take place on the 3rd and 4th March. We ask for a £1 donation to support this. You will also be invited to come into school during “Feel Good” week so that the children can show you the skills that they have learnt and to teach you!! Any adult family member is welcome to attend.

Reception— Monday 9th March at 2:30pm

Year One— Tuesday 10th March at 2pm

Year Two— Tuesday 10th March at 2:30pm

Year Three— Wednesday 11th March at 2:30pm

Year Four— Thursday 12th March at 2pm

Year Five— Thursday 12th March at 2:30pm

Year Six— Friday 13th March at 1:45pm

THERAPY DOG

During “Feel Good” Week, a therapy dog will be visiting the children. The dog will meet the children and they will find out about the work they do and how they help children and families all around the country.

COMPETITIONS

During the week the children can take part in two competitions. They can bring home some mindfulness colouring and bring it back to school by Friday 13th March—a winner will be chosen at random and they will win a prize. Also we ask that the children have a go at learning a new skill, this could be anything from knitting to riding a bike. All we ask is that you send in a photo of them and we will add them to our display in school. Again a winner will be selected at random to win a prize. The photos can be sent in or emailed to the school office.

HEALTHY MINDS CRAFT FAYRE

During the week, the children are going to be creating some items that will be sold at a fayre at the end of the week. We ask that the children bring 20ps to school as they will be visiting the fayre during Friday and will have the opportunity to buy an item from the stalls. All proceeds will be sent to 'YOUNG MINDS WOLVERHAMPTON.'

What else

- The children will be completing work that is all based around a well being quote. This might involve writing, art, drama and will be all displayed in the main corridor for the remainder of the term.

- At the end of the week each teacher will choose a child that has shown a real interest in well being and worked really hard. They will become our 'Well Being Ambassadors' and continue work started during the week ensuring well being remains a priority throughout school.

- During their lessons the children will create a new song. They will take a well known song and change the words based on the quote they are working on. These will be posted on our social media sites for you all to hear.

- During the week the children will be writing about why it is brilliant to be them. This writing will then be displayed on a leaf and added to the tree of positivity.
