Unprecedented times

We would like to thank all of our parents and families for your continued support through the current challenging times. Many of our families are currently self-isolating at home and we have tried our best to ensure that school this week has continued as normal for our children who have still been attending. We are very proud of all of our staff and children for making this week such a positive one including many of our Year 4 children who have experienced their residential at Edmond Hall.

School closure

In line with government guidance, at the end of the school day today, East Park will close to the majority of our families. We will remain open for a group of children of key workers and you will have been notified directly by school if this applies to you. There is currently no date given for when schools may reopen.

Food vouchers

During this period of school closure, the government has announced that children in receipt of free school meals will be entitled to food vouchers. You will receive an email that includes all of the details that you will need to access funds that can be spent in a supermarket.

Home learning

Today, all families should have received an email via ParentMail providing you with internet links to support with learning at home during this period of school closure. You will also have received a folder containing an exercise book and a pencil so that children can record any learning that they do.

Each week, we will aim for your child's Year group leader to share learning ideas for the week ahead. We would love to receive photos, videos or electronic learning from you so that we can keep in touch. We are going to miss you all so much! You can use the following email addresses to share your learning:
