Parents evening and projects

Parents evening was a huge success with so much fantastic learning and progress to share with you. A big thank you to children and families who worked together on home learning projects—you are all amazing!

NSPCC Number Day

A huge well done to all of our East Park children and families as you raised a fantastic £287 as part of our Number Day fun. Thank you so much !

Healthy eating at East Park

Our school kitchen have launched our 'Eat the Rainbow' healthy eating challenge.

Week 1 saw lots of our children trying carrots, week 2 moved on to peas and this week we are encouraging children to enjoy sweetcorn. The next few weeks will be as follows:

Week 4: broccoli

Week 5: tomatoes

Week 6: peppers

Well done to all of the children who have tried new food so far.

Additional training day

Monday 20th April will be an additional teacher training day for our staff and so **school will be closed to children on this day**. Also, as shared during a previous newsletter, Monday 1st June is also a teacher training day and school will be closed to children on this day too.
