## What a fantastic half term!

The final week of the term has arrived and what a fantastic term it has been. Children in all of our classes have been working so hard and making lots of progress—we are very proud of you all. Also during this term our school choir attended Young Voices and this week sees children in Years 2—6 presenting their Through the Decades learning in assemblies taking place throughout the week. Have a wonderful week off school and we look forward to seeing everyone back at school on **Tuesday 25th February**.

## Times Tables

Rapid recall of times tables is a key number skill that children practise throughout East Park from Years 2—6. Please check out our school Facebook page for fun songs to sing along to and practise times tables too. Also children in Years 4, 5 and 6 have a log in to Times Tables Rock Stars—please check with your child's class teacher if you need any help with this.
