## Parking Reminder

Last week's newsletter shared information about our newly appointed Road Safety Officers and the importance of safety outside of our school at the start and end of the day. We have had further reports of cars blocking roads or access points—please ensure that you are parking in the correct places. Please do not park on the staff car parks as these are in constant use.

## Enrichment weeks

Following on from our fantastic Literature week in Autumn 1 and Geography week in Autumn 2 we are busy planning our next enrichment week which will take place during the week beginning Monday 9th March...look out for the big reveal in next week's newsletter!
