## Welcome back to school

We hope that all of our families have enjoyed a safe and relaxing half term. We are excited to welcome back all of our children for Autumn 2—teachers have planned a range of learning opportunities for the term ahead, including our Enrichment week which will be taking place in a few weeks. We hope that many of our children have worked on their half term project that we shared on the final day of last term.

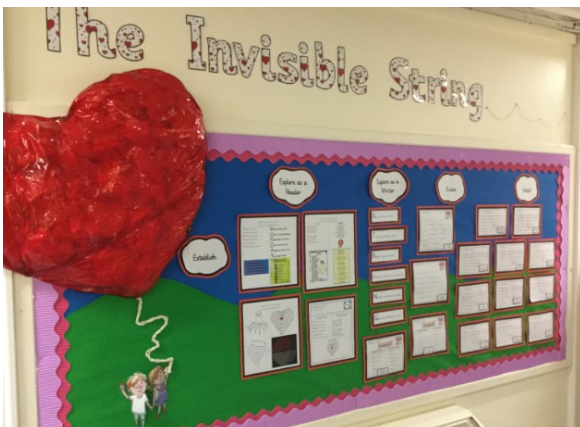

## Fantastic writing at East Park

At the end of last term all of our classes from Reception to Year 6 created incredible displays to showcase the writing taking place across our school. Here are photographs of all of our main corridor displays—we are so proud of our children.
