Happy New Year

Happy New Year to all of our East Park families. We hope that you all enjoyed a safe and relaxing Christmas and a restful two weeks at home. Our new term starts this week with staff returning today and children returning to school tomorrow (Tuesday 5th January). Our staff have been busy preparing all of the learning that will take place during this term and are excited to welcome back their classes.

COVID update

We ask parents to continue to inform us of a positive case via our info@eastparkacademy email address or via telephone. As shared before the end of term, our school procedures for responding to a positive case will change this term—we will aim to identify a smaller group of children who have been in close contact with the positive case.

Also a reminder that our morning gate timings will change from tomorrow—the morning gate will continue to open at 8:35am, however it will now be locked at 8:55am.

Year 2 children can be dropped off at the gate and a member of staff will be on hand to walk children round to their classrooms.

Progress slips

The majority of Autumn term progress slips were handed out on the last day of term—the reports of those children who were absent on the final day of the term will be brought home this week. We hope that you enjoyed reading about your child's attainment and progress during the Autumn term.
