## Uniform Swap and Donations

It is that time of year where we begin to think about new uniform for September and the shops begin to stock up and advertise their deals.

East Park has successfully operated a free uniform swap for all of our families over recent years and would like this to continue. Parents and carers of children, who have grown out of their uniform, donate items such as school jumpers, cardigans, skirts, trousers, shorts and dresses and in pre Covid times, parents would come to the office and simply browse and collect items from the clothes rail. Items such as tights and socks are also gratefully received.

We continue to offer the service but we need your help with any donations of uniform that you may feel could be used again by another family. Please pop any clean and useable items in a plastic bag and hand it to any of the adults on the gate at the beginning or end of the school day.

If you would like to benefit from the service then please contact [info@eastparkacademy.com](mailto:info@eastparkacademy.com) with items and sizes needed and if we are able to supply them to you, we will arrange a time for you to collect them from the school office. Thank you for supporting other families and recycling clothing to help our environment.

## Covid Support Officers

You may have noticed that Wolverhampton Council have asked two Covid Support Officers to visit school regularly each week. Ravi and Rob have joined us at the beginning and end of each school day on two occasions so far. They will both continue to patrol the school perimeter each Wednesday at 8.40am and 2.50pm issuing guidance and free face masks.

They have been impressed by our procedures in place and how the majority of parents are supporting school by wearing masks, following the one way system on site and maintaining a social distance of 2m between families and individuals. Please give them an East Park welcome when you see them near or on site.
