Parents Evening

Reports will come home with your child on Friday—Year 2s will be posted and on **Monday 19th July** parents will be able to meet their child's new year group team.

This will be for parents of children in our current **Nursery, who are moving to our Reception and from Reception to Year 5.** (year 6 see below.)

We will be setting up each session as an **event** on your child's **TEAMS calendar** - just like when your child uses TEAMS for home learning.

There will be five time slots on Monday 19th July:

3:30p.m, 4:00p.m, 4:30p.m, 5:00p.m and 5:30p.m. for you to choose from.

If you have more than one child at East Park, this will enable you to meet the teams of all of your children.

You will **not** get an invite to join the meeting, each meeting will appear on your calendar, **simply choose your time** and join **just before** it is about to start.

You do not need to let school know which meeting you are going to attend you can just enter the meeting via the calendar.

We cannot wait to meet you! Even if it is virtually!

Year 6

Year 6 return Wednesday 14th July from their bubble closure and the end of the year looks very different for them. On Thursday the children will return to school at 6pm for their Festival. The year 6 team have been very busy organising fun activities and a disco—all outside—and the kitchen have been busy preparing the end of year buffet. On Friday the team will record Leaver's assemblies and this will be made available to you afterwards.

Covid Update

With another outbreak of Covid-19 in school, this time in year 2, we await the Prime Minister's briefing on Monday 12th July to advise us as we move to Step 4. We are busy making plans to lift restrictions but will be cautious and have our Outbreak Plan in place should we need it. We will communicate how school will operate from Monday 19th July in your child's school report as well as on Parentmail. We have said the same thing for 18 months but we have appreciated all of you who have supported us over this time and are very grateful for your patience and understanding. We hope now that we have a normal year ahead and although we all need a rest, we do look forward to September.
