

## Head Boy and Head Girl

I would like to introduce our new head boy, Pavan and our new head girl Tamia. They went through a rigorous selection process completing an application, interview and a selection task. They did a fantastic job this week showing a visitor around the school. Upon her return from the tour our visitor said, " They didn't let you down, they were confident and knowledgeable about the school." They will have more work this week when they are joined by the rest of the Junior Leadership Team to monitor our curriculum books.

## Parent Governor

We are seeking to appoint a new parent to our team of governors this term. If you are interested in joining the team of governors for East Park then please email Mrs Sargent or Ms Guest through [info@eastparkacademy.com](mailto:info@eastparkacademy.com). A letter with further details and a nomination form will be sent to parents this week through Parentmail. Keep an eye on your inbox.

## Parking Around School

Can we remind parents to park in designated parking areas around the school site and not on grass verges or blocking driveways or roads. Sometimes up to 1000 people, parents, carers and their children, can access or leave our site. With this amount of people it can be difficult to navigate the roads and pavements. If you can walk to and from school then please do so and leave the car at home. It's a free form of exercise and sets up the day for learning.
