Scooters and Bikes on site

Scooters and bikes must not be ridden on school site. There have been incidents recently which could have resulted in people getting seriously hurt. If your child rides their bike or scooter to school, once on site they must push it to the cycle racks and when they collect it at the end of the day, they must push it until they are off site.

School Photographer

The school photographer will be in school **Friday 1st October** to take individual photos and family groups. Unfortunately we will not be opening school for younger family members at the moment and family members includes siblings only.

Parents Evening

Parents evening this term is scheduled for Tuesday 12th October between 3.30pm and 6.30pm and will be remotely using Teams. Further details will follow this week about how to book an appointment.

Lates and Classroom Doors

School starts each day, for reception to year 6, at 8.50am, with doors opening at 8.40am. Children can therefore settle and start learning at 8.50am prompt. Doors will close at 8.50am. The gates will also be locked. Many children still arrive late and this means lost learning time. **If your child arrives just 10 or 15 minutes late each day, they will lose up to 10 days learning. If they arrive half an hour late each day, that's the equivalent of losing a whole month of learning time.** Our children cannot afford to lose any learning time particularly after the last 18 months and the many days, weeks and months lost to the Covid pandemic.

Macmillan Coffee Afternoon

Wolverhampton Homes are holding a Macmillan Coffee afternoon on the school playground Friday 1st October, 3.30 - 4.45pm. Please support this wonderful charity.
