Lost School Uniform

Each year families spend a lot of money on new school uniform including new coats, bags and lunch boxes. And then they purchase replacements throughout the year. Unfortunately in the few weeks of this term so far, we have had jumpers, cardigans and coats lost or mixed up between children.

Children often take their jumpers or cardigans off in class and on the playground. They put them down and forget to take them back to their chair or back into class. To help make sure they get back to who they belong, please label your child's uniform with their first and last names and if possible their class too.

Don't forget we have a uniform swap rail in reception. Give the office a call and they will be happy to help you should you wish to browse the rail or send in donations. Thank you in advance for your support.
