## Year 6 and Dates for the Summer

As the school year moves into its final half term we have some final preparations to make for saying goodbye to our year 6s and some dates for you all to add to your diary.

We are planning a very special celebration for our year 6 children this year which will include an outdoor festival party with music, inflatable fun, games and food. Our special end to the year will not include a formal prom this year as in previous years. Such an event can be costly for parents, and with restrictions still in place it could be cancelled with only 24 hours or even shorter notice. With talk of a third wave of Covid-19 in the news this week it is imperative we keep all of us safe and adhere to government and DFE guidance. We will of course keep you updated as the term goes on.

Progress slips Friday 16<sup>th</sup> July

Parents Evening on Teams, including meeting your child's new teacher, Monday 19<sup>th</sup> July

Transition to new classes Monday 19<sup>th</sup> and Tuesday 20<sup>th</sup> July

Break up for children Tuesday 20<sup>th</sup> July

Year 6 Celebrations - dates and times to be confirmed ASAP.

## Science Week

A few photographs from our very exciting Science week, once the rain had stopped! A video will follow very soon.
