

“East Park Academy is a School where pupils flourish and make exceptional progress”. (OFSTED 2019)

During our last inspection in June 2019 we were judged as outstanding after a rapid journey from special measures in February 2016. The journey hasn't stopped there as we now embark upon our next phase as part of recently designated Manor MAT teaching hub.

We are seeking a Newly Qualified Teacher to make the education of their pupils their first concern. We can offer you happy, motivated children who are eager to learn and enjoy coming to school. You will be required to act with honesty and integrity, have strong subject knowledge, forge positive professional relationships and work with parents in the best interest of their pupils. We have a skilled and supportive team of staff, who strive to make a real difference to our children's learning and achievement with the opportunity to work in a progressive secure Academy.

Visits to the School are welcome.

To apply please complete an application form and email info@eastparkacademy.com
