

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p>Cosy up with your favourite story. Share it with an adult or an older family member and upload a video to Evidence Me.</p> 	<p>Shape hunt. Go around your home or outside and look for the shapes that we have learned about: Square, circle, triangle, rectangle, hexagon and oval. Take photos and talk about their properties.</p> 	<p>Make a sensory bottle! Use an old drinks bottle and simple ingredients to make a beautiful sensory bottle. Instructions are in the link below.</p> 	<p>Make some musical instruments using different household items. Saucepans, colanders, wooden spoons all make fantastic instruments. Put on all of your favourite songs and have a disco! Can you listen to the song and follow the beat with your instruments? Can you make up your own song?</p> 	<p>This is a lovely activity that will be perfect before bedtime!</p> <p>Peace Out Cosy Cats Guided Relaxation - Cosmic Kids</p>
