

Collecting Children from School

Time to
Go Home!

Many different family members collect children from school at the end of each day. These include grandparents, moms and dads, uncles and aunts, carers and sometimes family friends. **It is imperative that school are made aware of who is collecting your child or children from school.** For most families this is the same person every day but sometimes, due to emergencies or family and work commitments, this has to change. If there is a change then please inform school straight away. We will not release children to someone that we have not been informed about, due to safeguarding protocols. Years 5 and 6 are allowed to walk home alone if we receive written permission from parents or carers.

Music Week

Our final enrichment week of the year is going to be Music Week and it will commence Monday 11th July. Miss Alexander has many wonderful experiences planned including lunchtime concerts, a musical scavenger hunt, learning songs from different eras and much more.

Enrichment Weeks

You can now view and enjoy the videos made during most of our other enrichment weeks on our website. They include Maths, Poetry and Geography weeks as well as our whole school texts and a video all about the Ukrainian Bear Appeal. This video also includes one of our other MAT schools, Hateley Heath. Please take a look at the videos, they truly are a celebration of our learning this year. I would like to thank Mr Campbell, Mr Beards and Ms Bradburn for helping to put the videos together.

Year 6 Fundraising

Year 6 have many exciting opportunities coming up in their last few weeks at East Park including a prom and end of year show. They are busy coming up with fund raising ideas and we want to help them. We will be holding a **mufti day on Friday 15th July**. The day is linked to the end of year show—Joseph and his Amazing Technicolor Dreamcoat—so we would like the children to dress in bright colours. This could be one colour or a mixture of lots of colours. Please donate 50p or £1 per family on this day. More information will follow soon about other ways year 6 are raising funds and how you can help.
