Conduct on School Site

Over the last couple of weeks the conduct of a very small number of parents and carers has been below that which is expected and will not be tolerated by East Park Academy and Manor Multi-Academy Trust. Poor language, including swearing and confrontation has been witnessed by other families, children and staff.

This type of behaviour will not be tolerated under any circumstances. Please be respectful of each other including staff, parents and carers and children.

Sports Days

This week we are hoping the sun will shine and the rain will stay away as we hold our first sports days in three years. All children should come to school wearing their PE kit and bring a hat, water bottle and wear sun cream. Parents are welcome to attend and should make their way to Thornton Road entrance where you will be let on to the site by the office staff. You will be directed to a zoned space to stand for the duration of the time on site. For safeguarding purposes, please remain in this zone and do not encourage your child to come to you or please do not go over to your children.

Being On Time for School

It has been proven time and time again that children who attend school regularly and are punctual each day, make more progress and achieve well. Our classrooms doors for Rec to year 6, open at 8.40am for an 8.50am start. It is important that children are in their classrooms by 8.50am to begin their learning. If you have more than one child to drop off, please allow plenty of time to drop all of your children off for 8.50am at the latest. Gates will be locked promptly.

Clubs

Clubs will continue to run until Friday 15th July. There will be no clubs during the final week of term.
