

Road Safety Officer

Our Road Safety Officers have been out on duty for the last 4 weeks after receiving training from the local police, Mrs Kempson and Mrs O'Neil. They have learnt about how the community can help to keep everyone safe by parking sensibly when near to school. Their role is to encourage adults in their cars to choose appropriate places to park and will issue warning tickets if parents park dangerously or illegally. The police and the civil enforcement officers regularly patrol the roads around school to encourage safe parking. Please support our children if you see them or speak to them, let them know they are doing a brilliant job.

Platinum Jubilee Celebration

As I am sure you are aware Queen Elizabeth II is celebrating 70 years on the throne. She is the longest serving monarch in history and celebrates her Platinum Jubilee this year. Everyone in the country will want to send their congratulations and celebrate this incredible milestone and East Park are no different. We will celebrate with a jubilee picnic on the last day of the half term, May 27th. If your child has school dinners on that day, they will receive a jubilee picnic (see attached menu). If your child has sandwiches, they can bring in a similar styled picnic or can order a picnic lunch from school in the usual way. Every child will receive a Jubilee Celebratory Cupcake or Cookie whether they are usually dinners or sandwiches.

All staff and children are being asked to wear red, white and blue for the day too. You do not need to send any money in for this mufti day. We do need some blankets for the picnic, so if you are able to send your child with a blanket on that day, please ask your child to let their class teacher know. Thank you in advance and fingers crossed it doesn't rain!
